**Please sign me up for a committee:**

- Membership/Education** Recruits new members and develops and implements programs for member retention. Plans general membership meetings and educates policymakers on industry trends.
- Engineering Standards** Monitors, reviews, and contributes to modifications to subdivision regulations.
- OEPA & ACOE** Works with OEPA and Army Corps of Engineers officials on the many environmental policies that affect the land development industry.
- Planning & Zoning** Reviews changes in planning and zoning regulations throughout the region.
- Public Utilities** Works with local utilities on issues affecting the land development industry.
- Water & Sewer** Monitors issues affecting the area's water and sewer infrastructure and reviews and contributes to new or revised regulations.
- Soil & Water Conservation** Works with local and state authorities in applying the Best Management Practices in storm water pollution prevention during construction and utilizing post construction storm water treatment.
